

Industrial Visit to INFOSYS LIMITED

Industrial Visit to Infosys Limited

MVJ College of Engineering, department of computer science and engineering and INFOSYS Campus Connect had organized an industrial visit for ninety students of the fifth semester CSE and ISE who were accompanied by four of the faculties of the department on the 17th August 2016. The visit was to the Infosys Electronic city campus, Bangalore.

The visit started in the early hours of a working day by the college bus. The group was received by Vishnu Kumar Infosys Campus connect Admin and directed us to an auditorium where **Mr Anoop Singh ETA Principal In charge of Campus Connect program, Infosys Limited** gave briefing about **history and formation of Infosys** through a video presentation. After the presentation was over, Mr Anoop Singh gave a session on industry expectation and skill requirements for the student's campus placement. It was very insightful for the students.

Students engaged in Mr. Anoop Singh's Session

After Mr Anoop's session **Mrs. Sahana Kumaraswamy In-charge of Campus Connect program, Infosys Limited**, talked about **Big data and Hadoop technology**. She covered topics like What is Big data and its application, History of Hadoop, HDFS, Hadoop framework, and MapReduce. The presentation was an eye opener for students.

Session by Mrs. Sahana Kumaraswamy

Later the group was taken to a campus tour by Mr. Vishnu Kumar. At the end of the campus tour, the students had their lunch in Infosys Canteen. After having a good lunch, the students boarded the bus to come back to college.

Students and Faculty in Campus tour

We express our thanks to the Management, Principal and Head of Departments, for permitting and arranging the industrial visit.
