SAAHITYA- The literature club of MVJCE had their first event on 15th November, Poetry writing competition.

This was **SAAHITYA**'s second event - **WRITTEN OLYMPICS** for **CREATIVE WRITING**.

The creative writing event happened on 22nd November, 2022 at 2 pm in the Seminar Hall 5, MVJ College of Engineering.

It saw a good number of participants. Around 50 participants took part in the event with great enthusiasm. The participants were informed about the rules and the language allowed was only English.

Five prompts were given in the form of pictures. The prompts were chosen after much thought and chosen by our seniors.

The prompts were thought-provoking and required the participants to use their imagination to it's fullest.

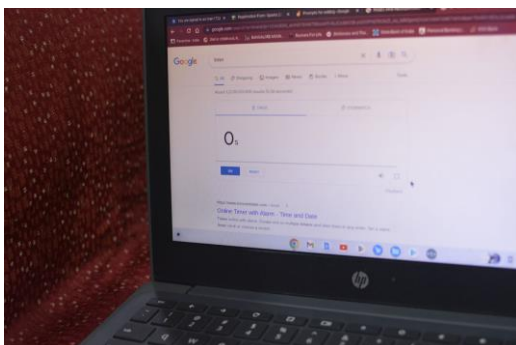

They were given 45 minutes to prepare their creative pieces.

It was an only writing event. Participants were encouraged to write in different genres & to make use of their creative minds.

The volunteers collected the participants papers and we wrapped up the event around 2:45pm. After which we took a group photo with the whole team of volunteers.

We took a little over 5 days to evaluate the participants submissions. And finally announced the results on our official Saahitya page. Our seniors evaluated and chose the winners of the event.
