Our TMOD TM Aditya came up with this informative theme with respect to World Environment Day, and told all the members to maintain a dress code of green colour. He spoke about the importance of afforestation and about other environmental issues. Our three speakers stuck to the time limit and delivered inspiring speeches. We had TM Deepikaa give her Ice-Breaker speech.

Our TTM TM Dharini gave challenging topics and we saw the enthusiastic participation of our members. Listener Segment conducted by TM Vishal was fun and it certainly brought all the members closer.

The Evaluation Segment by DTM Akshay Kaore and his TAG Team was informative, as he is an experienced hand. He helped us with the upcoming meetings.
