This meeting was a Linker's meeting between the TMCs of BITS PILANI and MVJCE. There were four TMODs in the meeting. The TMODs discussed about the technical glitches in the meetings and also the glitches that we come across in life, to keep the session interactive. Three speakers delivered their speeches and took a step forward in their Toastmasters journey.

TTM TM Sahil from BITS PILANI gave a specific situation to each speaker, to test his/her impromptu skills. Our Listener TM Shruthi Reddy was closely listening to the speakers, and asked a bunch of questions to test the listening skill of the members. Last but not the least, TM Nishanth along with his TAG Team, gave his general evaluation of the entire meeting which had a LOT of glitches!

After overcoming all the technical glitches, we closed our 39th meeting with a great bond having been developed between the two clubs.
