End Time: 12:37 pm

Attendance: 21

Our 42nd meeting started at 10:30 am by our SAA. TMOD TM Vishal introduced his theme and made the session very interactive by asking about our favourite video games. We were filled with nostalgia, while remembering these video games.

We had Prepared Speeches segment, and the 3 speakers who spoke in this segment adhered to the time limit given and delivered their lovely speeches. Then we had a fun and interactive Table Topics segment. Our Listener TM Lavanya jotted down the important titbits of information and asked us about these, in the Listener's segment.

This was followed by the most important Evaluation Segment. Our General Evaluator TM Saurabh (SDMCET TMC) gave us good feedback, as well as some suggestions to be implemented in the upcoming meetings.

At 12:37 pm we clicked a picture together and closed our meeting successfully.
