Research Development Initiative Programme

MVJ College of Engineering, Bangalore, Department of EEE organized **Three day Research Development Initiative Programme on “Advancement in Electrical Power Systems”** from 19th to 21st July 2016. Inaugural Function started at 10.00 am on 19th July. The co-ordinators, Mrs. Premalatha P HOD/EEE and Dr. R. Sitharthan welcomed the speaker, dignitaries and participants of the research Development Initiative Program. The Programme was inaugurated by Mrs. Sandya R. J, Manager R & D team, PRDC Bangalore.

Day 1

Topic: **Distributed Power Generation**

Speaker Mrs. **Sandya R. J** ,Manager, R & D team, PRDC Bangalore

Day II

Topic: Application of power electronics converters for power system and High voltage engineering

Speaker 1: Dr. Subbareddy, Iisc Bangalore,

Speaker 2: Dr. L. Umanand, Iisc Bangalore.

Speaker 3: Dr. R. Sitharthan, MVJCE Bangalore.

Day III

Topic :Power system protection

Speaker 1: Dr. Subir Ray, MVJCE Bangalore.

Speaker 2: Devalalaji K.R, MVJCE Bangalore

All the sessions arranged for the three days were very informative, motivating and helped us to improve our technical knowledge and skills to concentrate more on research areas.
