

## Guest lecture on Digital Transformation

On 14<sup>th</sup> Oct 2017, A guest lecture on “Digital Transformation” was organized by CSE Department for 7<sup>th</sup> semester students. The session started around 10.45 am, the principal Dr N Gunashekar welcomed the guest of honor Mr Selva subramani Director, Dell EMC, Bangalore. After the guest introduction, Mr. Selva opened the session with “***How technology industry transforming in the digital world***”. It was an eye opener for the students. He explained how digital transformation has changed our world by quoting the real time examples like PayTM, Aadhaar card, Tesla car for automobile industry and many more. He gave few guide lines for students regarding employment and corporate world. The students were also interactive through the session. Overall the whole session was interactive and informative, bringing the students out of their nut shell.
