

National Voters Day 2023

NSS unit of MVJ College of Engineering, Bangalore has organized a programme on “National Voters Day” held on 25th Jan 2023. Principal Dr. P. Mahabaleswarappa, has extended a warm and hearty welcome to Professors, NSS coordinator Dr. Manu, faculty members of various departments and students. Principal has addressed the students about importance of celebrating the National Voters Day, said that it is observed to commemorate the founding day of the Election Commission of India, which was created on that date in 1950 and to inspire young students to get involved in the process of electing right representative from your constituency.

Every year, a different method is employed to mark this event. It not only promotes young people’s involvement in the process of election but also emphasizes that the right to vote is a fundamental freedom is to be protected.

Principal has stressed on new voters, who have attained the age of 18 years, were showing less interest in getting enrolled in the electoral rolls and requested them to enroll yourself in the electoral list and also conveyed the highlights and the importance of voting and every single vote and encouraged young voters to take part in the electoral process and also focuses that the right to vote is the basic right. The new voters should feel "Proud to be a voter - Ready to vote", to elect our right representative from your constituency. We have given the Voters Pledge to all the participants.
