## DRUG AWARENESS PROGRAM - 2023

NSS unit of MVJCE participated in a drug awareness program organized by State NSS wing on 26<sup>th</sup> June 2023 at 7.30AM from Vidhana Soudha, Bengaluru. A drug awareness program is an educational initiative aimed at providing information and raising awareness about the risks and consequences associated with drug abuse. Such programs are typically designed to prevent drug use, encourage healthy lifestyle choices, and promote overall well-being. The goals of a drug awareness program may include: education, prevention, awareness and support to prevent it. Drug awareness programs can be implemented in various settings, including schools, colleges, workplaces, community centers, and healthcare facilities. They may take the form of presentations, workshops, interactive discussions, campaigns, and awareness events. The program ended with a walkathon from Vidhanasoudha to Kanteerava Stadium for about 1.5Km.

On occasion of drug awareness program deputy Chief minister Shri. D K Shivakumar address the students and faculty members.

**MVJCE NSS students participated in drug awareness program.**

**Faculty and students participated in oath-taking ceremony during drug awareness program.**
