

Facilities for Differently Abled Students

1. Physical Facilities:

The college provides special facilities for the differently abled students and persons to provide them opportunities to acquire quality education and to bring them into the main stream of the society. The college has a social responsibility and perception that differently abled students should be respected and treated as a normal human being.

Wheel chair facility

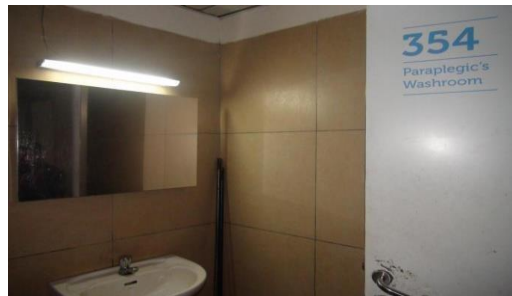

2. Ramp/Rails:

The college has a special facility of ramp and rails for the differently abled students. The main entrances and exits clearly identifiable and easily accessible. And it can accommodate wheelchair users. Steps and ramps have hand railings and the entrance permitting access to a conveniently located lift.

3. Rest Rooms:

Separate toilets are available for people with disabilities. They are clearly identifiable and accessible. The doors are wide enough and lockable from inside and releasable from outside. There is enough maneuvering space inside. All floor surfaces are slip resistant. Mirrors, flushing arrangements, dispensers mounted at appropriate heights.

4. Scribes for Examination:

There are some students who feel difficult to take the examination and they need scribes with them.

The college provides or allows the students to take the help of scribes in the examination.

As per the Government Circular ED 5 UNE 2004, dated 5.3.2004 and ED 5 UNE 2004, dated 22.3.2004, the following guidelines are to be strictly followed:

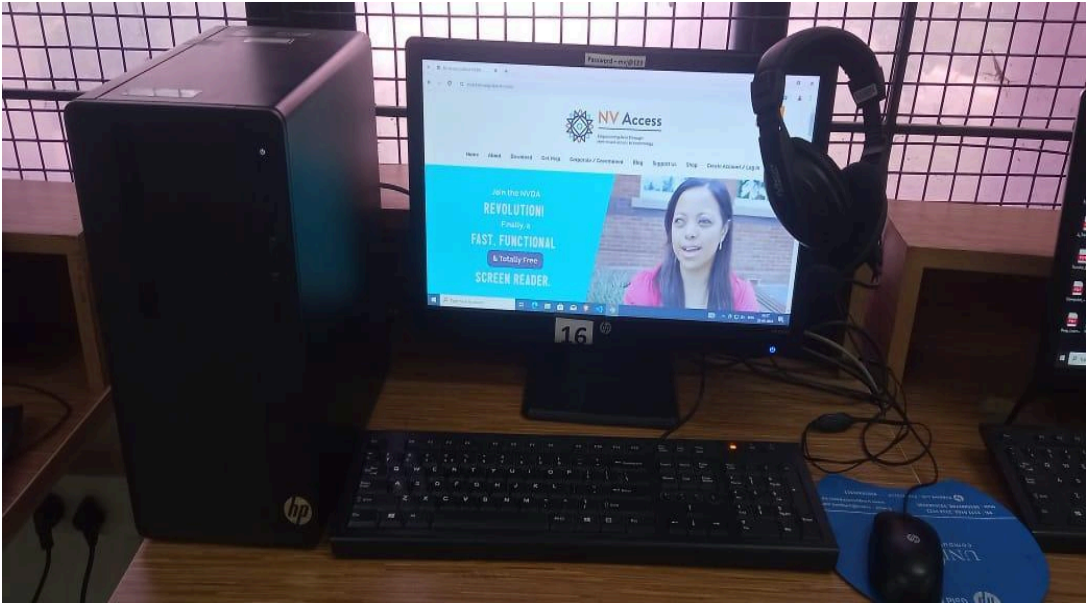

- a) The blind student may select the scribe
- b) The scribe need not have a qualification lower than that of the student, provided that the scribe should not have the qualification (with the same optional and languages) pertaining to the examinations, which the student is writing (for ex: a student who has completed B.A. or M.A. can be a scribe for the student who is taking B. Sc. Examinations)
- c) A physically disabled / blind / hearing impaired candidate and the scribes for such a candidate shall be allowed an extra time of 20 minutes per hour.
- d) As the hearing impaired students are having language problems, possibilities of grammar

mistakes, mistakes in building the sentences are there. Hence, the answer papers shall be identified separately and evaluated with additional care.

5. Braille Software/facilities:

The MVJCE Central Library has been registered with the free software NVDA (**Non-Visual Desktop Access**) to help visually challenged students. Nonvisual Desktop Access (NVDA) is a free and open-source screen reader. It is simple to install & use. **NVDA can convert text into Braille, available in multiple languages.** NVDA software has been installed on desktop computers within the digital library.

The MVJCE central library initiative to provide accessibility tools demonstrates a commitment to inclusivity and ensuring all students have equal opportunities to access information and educational resources

NVDA Screen Reading Software

Join the NVDA REVOLUTION!
Finally, a
FAST, FUNCTIONAL
& **Totally Free**
SCREEN READER.

Here's why NVDA is the secret formula you always wanted...

AFFORDABLE

100% free to use globally, so you never have to worry about how you're going to afford screen reading software again!

SIMPLE

Quick, simple, no-fuss installation, so you can start using the screen reader faster!

FAST

Fast, light-weight and small footprint ensures superior stability, reliability and less crashes, so you're more productive!

INTUITIVE

An easy, intuitive and comfortable experience to use, so you'll have a stress-free, enjoyable time using your computer.

FUNCTIONAL

Just as powerful and functional as the paid screen reader alternatives, so you'll never have to sacrifice on quality.

PORTABLE

Portable on a USB stick, making your life so much easier! Great for easily using computers other than your own, on the go!

INTERNATIONAL

Available in multiple languages. Great if you speak a minority language where the options are limited or expensive.

OPEN SOURCE

Our open source community develops add-ons and also contributes directly to NVDA itself. This makes NVDA a truly user-driven project.

PEACE OF MIND

Gives you peace of mind that you can always stay up-to-date with technology and never have to worry about affording costly updates.

ETHICAL

Feel good that you're standing behind the most ethical screen reader available, developed by the blind for the blind.

6. Provision for Lift

Parking for people with disabilities is available near the building. This is easily accessible to cross-disability groups equally. Accessible indoor parking spaces are located close to the lift. The doors should be wide enough to accommodate wheelchair users and the space inside is sufficient for them. Appropriate heights control panels and the large buttons are embossed. Visual and audible signals indicating the arrival at different floors is available.

NSS ACTIVITIES

MVJCE NSS unit conducted one day social service Programme at divine light trust ,a school of blind at white field.

Report on Divine Light Trust for Blind, Whitefield

Under the guidance and support of VTU, the management, Principal and faculty coordinators, NSS unit of MVJ College of Engineering conducted one day social Service Programme at Divine Light Trust, a school for blind at Whitefield on behalf of NSS Day celebrations.

The Programme started with the inaugural speech by NSS Programme Officer Prof R Muralidhara. The Programme aimed at cleaning the campus and making the playground ready for children. 37 NSS student volunteers and 4 faculty coordinators were involved in the activity. The campus was made clean and ready as per the requirements.

The event ended with a small Programme in which students of the Divine Light School showcased their talents through cultural activities. The CEO of the Divine Light School thanked the VTU, MVJCE management, the Principal and NSS volunteers for helping the school. He also advised the volunteers to continue same kind of social service in future. The Programme ended with an oath to work for the welfare of the disable students and help them to lead independent life.
