Report - NIC CLUB ACTIVITY-' Networking With Brawl Stars', organized by Department of CSE:

The NIC Club of MVJCE was proud to host this event for all the students. The event 'Networking With Brawl Stars' is the ultimate networking event and consists of 2 rounds which was played as a solo in 1st round of members 10 as a group. And 2nd as 3 members as a group. The scores of gems collected in the second round were added, to decide the winning group for the event.

Both the rounds of the event was conducted on 18 January 2023 in labs of Computer Science and Engineering Department. It started at 9:30 am and ended at 2:30 pm. Mr. Mohan H M (Data Analyst, Digital shark Technology Pvt. Ltd., Bangaluru), judged the event which was coordinated by Event Coordinator Mr. Vinay Raj sir. Around 80 students from all the Department participated in the event.

'Networking' Round 1 (Qualifying Round):

1:1 In this round, we conduct a game Brawl stars with random map of 1 :1 with a group of 10 members at a time, here we selected top 3 members from each group, from total 7 groups. 21 members are selected to next round that is final round

All the students participating were enthusiastic about completing Round 1 in the stipulated time. This game is basically for networking, how they team up and accepting the request, and it helps to build a conversation skills .The event co-ordinators and the student co-ordinators started the event exactly at 9:30 am and the time duration for Round 1 was only 1hour 30 minutes. Round 1 was completed at around 11:00 am, with the results being announced. For Round 1st labs(room no 255)to accommodate the 76 students participating in this activity.

'Networking' Round 2 (Final round):

3:3 : The final round of this activity was "**Networking** " where the top 21 members who qualified from Round 1 . we selected a map 3:3 gem collector map. The students were given 5 mins to complete the given task. The participants used various attack on the opposite team. All the students enthusiastically took part in this round and gave their best short to collect the gems. When the given time ended, the students showed the co-ordinators their final results and they were judged on there

gem collection shown in the table. Out of the 7 teams that participated in Round 2, the top 2 winning teams were selected and the winners were announced
