

MVJ College of Engineering
Founder's Day 2024

Every Year, MVJ College of Engineering celebrates the Founder's Day on 17th May. This year, MVJ College of Engineering celebrated the Founder's Day on 17.05.2024 (Friday) in the college auditorium (Dr. M.V. Jayaraman) at 10:15 a.m to mark the 96th Birth Anniversary of Dr. M. V. JAYARAMAN- Founder, Mentor of MVJ Group of Institutions.

A humble tribute in the form of a video was played that enabled the audience to reminisce the days and glorious past of Dr. M. V. Jayaraman.

The Chief Guest was Padma Bhushan Dr. B. N. Suresh, Founder Director & Chancellor, IIST, Trivandrum and Chairman, Board of Governors, MVJCE, Bangalore since 2015. He was a Former Hon. Distinguished Professor, ISRO HQ, Bangalore, Former Satish Dhawan Chair of Engineering Eminence, INAE, Delhi, Past President, Indian National Academy of Engineering, New Delhi, Former Director, Vikram Sarabhai Space Centre, VSSC, Trivandrum and Former Member, Space Commission.

Commemorating Founder's Day 2024, Dr. B N Suresh highlighted that MVJCE has been growing in size and stature since 1982. He spoke highly of Dr MVJ and further, appealed to the students to take forward his legacy. Harping on the importance of the tinkering lab and innovation cell, Dr B N Suresh announced that MVJCE is bursting with potential to be realized by the time it comes close to its golden jubilee celebrations. He added that the Project Expo 2024 at MVJCE was a grand success and engineers, who can work on interdisciplinary fields, are indispensable. Moreover, he stressed that building gadgets and having an inclusive management are some of the ways that students can reach the zenith of innovation.

Well-deserved students were awarded certificates and cash awards under various categories like Autonomous rank holders, College topper, year-wise topper, obtaining more than 4 outstanding grades in the last year examinations, Vinay Deepak Memorial award to the topper in Mechanical Engineering, Best outgoing student, gold medals in sports, bagging state-level championships in tournaments, best players in various sports, students who have performed well in cultural like Music, Dance, Fine arts, Theatre, etc. An award has been instituted by our Alumnus, Mr Amitesh Rahul, Director of ADSAT ENGINEERS PRIVATE LIMITED and Alumnus of 1987 batch, Electronics and Communication Engineering for the 1st rank holder in Electronics and Communication Engineering.

108 students and 6 faculty members were honoured during Founder's day- 2024 with a cash prize of Rs 5 Lakhs. In addition to this, faculty members of the PUC college who have produced very impressive results were also given appreciation certificates.
