A Report for “Club Activity”

Date of the Event	10.02.2024
Title of the Event	Club Activity
Organized by	Dept. of Information Science and Engineering and (Data Science), MVJCE, Bangalore

The Department of Information Science and Engineering organized a “Club Activity”, on 10th February 2024, at MV Jayaraman Auditorium. The event started at 1:30 pm and 100 students from III semester and V semester of the Dept. of ISE and CSE (Data Science), CSD and AIML attended in this event.

Chief Guest Mr. Tejas Rana, Technical Manager at HCL Technologies.

On basis of Cloud Computing a club activity containing three rounds was held. All the rounds are based on technical knowledge acquired in various streams of programming like C, Java etc. The first round dealt with general programming questions. There were 25 questions in total with time duration of 20 minutes.

Round 1

The second round was a Bug fixing Challenge in which multiple choices were provided to the selected participants of first round to identify the errors given in the code snippets. Total 15 questions were provided with 30minutes of time.

Round 2

The final round was the coding round where selected students of second round were given set of algorithms to which solutions have to be coded in any language of their choice. Total five questions were given with duration of 60 minutes.

Faculty Coordinator of the Event:

Mrs. Kavitha(Asst Professor, Dept. of ISE)

Mrs. Sayani(Asst Professor, Dept. of ISE)

Student Coordinators:

1. Usha Singh G (1MJ21IS112)
2. Chandana C (1MJ21IS025)
3. Shruthi A Iyer (1MJ21IS102)
4. Vasudev Krishna (1MJ22IS124)
5. Rudransh Gupta(1MJ22CD045)

Outcome of the Event:

The club activity was fun filled with knowledge testing along with practical learning skills. It covered all the fundamentals of coding and other technical skills.
