

## **CLUB ACTIVITY ‘CHEMLIFE’ -“POSTER MAKING COMPETITION ON E WASTE MANAGEMENT AND DISPOSAL ”**

The Departmental Club of the Chemistry Department ‘Chem Life’, organized a Club activity on “Poster Making Competition on E waste Management and Disposal”, on 23<sup>rd</sup> March 2024, in Room No.313 ,315, 316 and Auditorium . The event started at 8:30 am and ended at 10:30pm . Students found the event very interesting, interactive and beneficial,and actively took part in this Club activity. The Chief Guest for the event was Dr. Aruna S.T (Senior Principal Scientist CSIR -NAL Bangalore ).

### **Round 1: Preliminary Round**

In this around 200 students participated , in this round the screening of the teams was done by conducting a presentation round in which students explained about E –waste , its introduction , its types , effects on the environment and its disposal .

Figure 1: Students giving presentation in peliminary round on the dias Megha M.V ( 1MJ23IS037) and Prajna ( 1MJ23IS053)

### **Round 2: Final Round**

In this round students prepared the posters in the given time about e –waste management and disposal . Students prepared posters according to their topics and presented to our Chief Guest and other dignitaries .

Figure 2 : From the left Gouthami , Rajeshwari , Samanvitha ,Tejashwini , Bhoomika and Varsha from D sec even sem (23-24) presenting their poster to our Chief Guest Dr. S.T Aruna ( Scientist ,NAL)

Figure 2 : From the left N Revanth Reddy(1MJ23IS045) ,Dase Gowda (1MJ23IS015) , Gautam D Achari ( 1MJ23IS020) and Narsimha Murthy (1MJ23IS044 ) from E section (23-24) presenting their poster to our Chief Guest Dr. S.T Aruna ( Scientist ,NAL)

**First prize winning team:**

Balaji R (1MJ23CS026) ,Chandan DP ( 1MJ23CS034 ) , Darshan V ( 1MJ23CS050) ,G.M Vishwanath (1MJ23CS054) , Basavaraj B (1MJ23CS029) and Channabasava (1MJ23CS035), from A section first year Chemistry Cycle .

**Runner-up team:**

Chaitanya .M (1MJ23IS011) , Megha M.V (1MJ23IS037) , Prajna (1MJ23IS053) and Harshitha .N (1MJ23IS025) from E section Chemistry Cycle were runner up team .

The winning team received a prize of Rs.1000 and certificates of appreciation. The runner-up team received a prize of Rs.500 and certificates of appreciation.

**Outcome of the Event**

The participants understood the significance of e waste disposal method , its categories , sources of e waste and its disposal methods . they were able to put their ideas creatively and constructively in the posters .
