| Host Of the Event | ISE Dept |
| Venue | MVJCE- Seminar Hall 5 |

The Department of Information Science and Engineering organized the Eikon Club activity, "Cybersecurity Bootcamp - Navigating the Digital Defense Frontier," on 28th September 2024. The event commenced at 1:30 PM and saw participation from 100 students across the 3rd and 5th semesters of the ISE and Data Science departments. The activity consisted of two rounds and was conducted in collaboration with the CyberDojo team.

Mrs. Visalakshi Rawat, the esteemed chief guest, inaugurated the session and provided valuable insights into the significance of cybersecurity in today's digital landscape.

**Round 1:**

- **Description:** This round included 30 multiple-choice questions focusing on basic networking and cybersecurity concepts. Each question had a time limit of 30 seconds, and participants were given 15 minutes to complete the quiz.

- **Time:** 1:30 PM - 2:30 PM

- **Participants:** Approximately 100 students from the 3rd, 5th, and 7th semesters of the ISE and Data Science departments

- **Venue:** Seminar Hall 5
- **Outcome:** The top 5 performers were awarded certificates in association with the Cyber Dojo team. Thirty students advanced to the second round.

---

**Round 2:**

- **Description:** This round focused on intermediate-level topics, including cybersecurity algorithms and cryptography. Participants answered 65 multiple-choice questions.
- **Time:** 2:00 PM onwards
- **Participants:** 30 students from the 3rd, 5th, and 7th semesters
- **Venue:** Seminar Hall 5
- **Outcome:**
  - The top 5 students received special discounts on cybersecurity training offered by CyberDojo.
  - The top 2 students were awarded cash prizes by MVJCE.
