The Department of Information Science and Engineering organized the Eikon Club Activity titled “Web Development Bootcamp” on 30th November 2024. The event began at 1:30 PM and saw active participation from approximately 100 students from the 3rd and 5th semesters of the ISE and Data Science departments. The activity consisted of two rounds: a preliminary round and an intermediate-level round. The event received robust participation and engagement.

Mr. Rindish Krishna, the esteemed chief guest, inaugurated the session and shared valuable insights into the importance of web development in the modern IT industry.

### **Round 1: Basic Web Development Quiz**

- **Description:** This round featured **40 multiple-choice questions** focusing on basic web development topics such as **HTML, CSS, and JavaScript**. Each question had a time limit of **30 seconds**, and participants were given **20 minutes** to complete the quiz.
- **Time:** **1:30 PM - 2:30 PM**

- **Participants:** Approximately 100 students from the 3rd, 5th, and 7th semesters of the ISE and Data Science departments
- **Venue:** Seminar Hall 4
- **Outcome:** Thirty students advanced to the second round.

#### **Round 2: Intermediate-Level Web Development Quiz**

- **Description:** This round focused on backend development topics, including intermediate-level web development concepts.
- **Time:** 2:00 PM onwards
- **Participants:** 30 students from the 3rd and 5th semesters of the ISE and Data Science departments
- **Venue:** Seminar Hall 4
- **Outcome:** The top three students were awarded cash prizes. Two students tied for second place.
