National Cadet Corps (NCC) Activities – 2023-2024

National Cadet Corps (NCC)

INTRODUCTION

The National Cadet Corps (NCC) is the youth wing of the Indian Armed Forces with its headquarters in New Delhi, India. It is open to school and college students on voluntary basis as a Tri-Services Organisation, comprising the Army, the Navy and the Air Force, engaged in developing the youth of the country into disciplined and patriotic citizens

The soldier youth foundation in India is a voluntary organization which recruits cadets from high schools, higher secondary, colleges and universities all over India. The cadets are given basic military training in small arms and drill

National Cadet Corps (NCC)

AIM OF NCC

- a) The NCC aims at developing character, comradeship, discipline, a secular outlook, the spirit of adventure and ideals of selfless service amongst young citizens.
- b) NCC aims at creating a pool of organized, trained and motivated youth with leadership qualities in all walks of life, who will serve the Nation regardless of which career they choose.
- c) NCC also provides an environment conducive to motivating young Indians to join the armed forces.
