

“Physics quiz competition”

The Department of Physics organised a club event titled “**Physics quiz competition**” on June 9, 2025. The event commenced at 1:00 PM and concluded at approximately 4:00 PM, consisting of two rounds of competition. The first round of the quiz competition occurred from 1:00 PM to 2:30 PM across various rooms (210, 212, 213, 215, 216, and 217). From these, 25 students were selected to advance to the second round, which took place from 2:45 PM to 3:15 PM in room 222, attended by guest Prof. S Kasthuriengan. The event concluded with a prize distribution ceremony. The first prize of Rs. 1000 was awarded to Sana Rehman(1MJ24AE073); the second prize of Rs. 500 went to Harini Y S (1MJ24EC049); and the third prize to D Prince Anthony (1MJ24EC031). Additionally, participation certificates were issued to the remaining 22 participants.

Outcome of the Event

The physics quiz competition for first-year engineering students provided a valuable opportunity to enhance problem-solving skills and apply theoretical concepts to real-world scenarios. Such events encourage, boost confidence, and offer recognition through certificates. Prof. S Kasthuriengan encouraged students to participate and expressed satisfaction with their performance. His support highlights the significance of these competitions in shaping future engineers. Overall, the experience fosters academic growth and prepares students for future challenges.
