

Report on Anti-Ragging Awareness

MVJ College of Engineering (MVJCE), established in 1982, is a premier institution dedicated to academic excellence, innovation, and holistic student development. The college provides a vibrant environment that encourages students to grow as responsible citizens and global leaders. Along with academics, MVJCE actively promotes social responsibility through platforms like the National Service Scheme (NSS), which plays a vital role in organising awareness and community-oriented programmes.

As part of this initiative, the NSS Unit of MVJCE organised Anti-Ragging Week from August 12th -18th, 2025, in line with the guidelines of the University Grants Commission (UGC). The objective was to sensitise students about the harmful effects of ragging, encourage positive peer interaction, and ensure a safe and respectful campus atmosphere.
