

Guest Lecture on “Recent Advancements in Traffic Management”

The Department of **Civil Engineering** organised a **Guest Lecture** titled “**Recent Advancements in Traffic Management**” on **18-10-2025** from **10:30 am to 12:30 pm**, in **Seminar Hall 2**.

Objectives of the Event

The primary objectives of the event were:

- To disseminate knowledge on emerging technologies and strategies transforming traffic management in urban areas.
- To address the key themes, including Intelligent Transport Systems (ITS), smart signalling and adaptive traffic control, real-time monitoring, data-driven traffic solutions, and the integration of sustainable and inclusive mobility practices
- To understand how modern traffic management practices are shaping the future of urban mobility, while also encouraging young engineers to explore research and career avenues in this vital field.

Event Overview

The Civil Engineering Department at MVJ College of Engineering organised a guest lecture titled "Recent Advancements in Traffic Management" on October 18, 2025. The event featured M. N. Sreehari, Chief Executive Officer (CEO), M/s Consortia of Infrastructure Engineers (CIE), as the resource person. The guest lecture brought together students from various semesters and faculty to explore the interactive session that provides students and faculty with an opportunity to understand how modern traffic management practices are shaping the future of urban mobility

The flow of events is scheduled as follows:

Time	Title
10:00 AM-10:10 AM	Welcome address by Prof. Asra Fathima and Guest Profile reading by Prof. Karthik S
10:10 AM to 12.10 PM	Keynote address by the Speaker, M. N. Sreehari CEO, M/s Consortia of Infrastructure Engineers, Bengaluru

An Autonomous Institute
Approved by AICTE, New Delhi
Affiliated to VTU, Belagavi
Recognized by UGC under 2(f) & 12(B)
Accredited by NBA & NAAC

12:10 PM to 12:25 PM	Interaction with the students
12:25 PM to 12:30 PM	Vote of Thanks by Prof. Muralidhara R
