

CONSENSUAL AGREEMENT BETWEEN GOVERNMENT OF KARNATAKA AND THE 'ASSOCIATION OF MINORITY PROFESSIONAL COLLEGES IN KARNATAKA' ASSOCIATION (AMPCK) IN THE MATTER OF REGULATING ADMISSIONS AND FEE STRUCTURE TO THE UNDERGRADUATE COURSES IN PRIVATE MINORITY (RELIGIOUS AND LINGUISTIC) PROFESSIONAL COLLEGES OF ENGINEERING/ARCHITECTURE FOR THE ACADEMIC YEAR 2026-27.

A. GENERAL:

- 1) During the deliberations of fee between the Government and AMPCK, it is agreed to an enhancement **of 7.5% in tuition fee** in the Academic Year 2026-27 for Government quota seats and AMPCK entrance test conducted merit seats. The Government Quota seat fee that is collected by the Karnataka Examinations Authority will be the fee to be paid by the students for the entire first year. Second year onwards till the end of the student's course, the same fee will have to be collected in all the colleges. There shall be no change in the fees for the entire duration of the students study period. For purposes of transparency and complete disclosure the fee structure of all types of seats in the respective colleges shall be notified on the website of the KEA and the respective colleges' websites a week before the commencement of first round of option entry by the KEA, AMPCK shall ensure that the necessary information is provided to KEA by all their member colleges.
- 2) In the light of the discussions held between the Government and 'ASSOCIATION OF MINORITY PROFESSIONAL COLLEGES IN KARNATAKA' (AMPCK), expressing desire to work out 'Consensual Arrangement' in terms of the powers conferred under Clause 4A of The Karnataka Professional Educational Institution (Regulation of Admission and Determination of Fee) (Special Provision) Act No.8 of 2006; in place of implementation of the other provisions of the Act No.8 of 2006 including there under constituted 'Fee Determination Committee's recommendations; parties hereby agree, among others, providing for hereunder spelt out, suitable and appropriate fee structure, seat sharing and admission process, by issuance of a Gazette Notification incorporating 'the terms' hereunder, before the commencement of admission process, giving this arrangement by consensus, a statutory support.

Department of Education (Higher Education)

- 3) That, it is agreed between the parties that, to an extent of an additional quota of 5% of total intake available in each of the Engineering colleges, as per the directions of the regulatory bodies like UGC/AICTE, shall be filled by the Government as free category students keeping in view such guidelines issued in this behalf and Government Order to be issued in this behalf.
- 4) That it is agreed between the parties, the regulatory authorities, including VTU etc. be associated in working out this 'Consensual Arrangement' and, State Government would issue appropriate directions as a 'Policy of the Government' and, ensure that affiliating Universities take note of the terms and working of agreement for the purpose of approval of admissions etc.,

B. SEAT SHARING AND ADMISSIONS (ENGINEERING):

- 1) Members of AMPCK would make it available/ hand-over 40% of seats, out of the total intake available, in each of their Member-Engineering Colleges to the Karnataka Examinations Authority (KEA), for counselling and allocation of seats, based on merit as per ranking to be determined/assigned by the Governmental agency – KEA and as per Rules framed for the purpose.
- 2) It is stipulated that, the counselling by KEA shall be conducted as per the calendar of events, prescribed by the regulating authorities- AICTE / UGC/ Council of Architecture/Affiliating Universities respectively. It is stipulated that, if any seats remain unfilled/vacant, at the end of casual round of counselling by KEA and additional round of counselling shall be held by KEA for those candidates who gain eligibility in the qualifying supplementary examination and all seats unfilled at the end of the casual vacancy round of counselling shall automatically be taken over by KEA for counselling for students found eligible in the qualifying supplementary examination. All the balance seats would revert back to the Association/its member institutions for its appropriate counselling/allotment, to its general merit category candidates or being filled by the respective colleges as casual vacancies or as may be decided by the Association based on merit and in a transparent manner. The reversion of seats would happen after reconciliation with KEA.

3) Thus, out of the total intake, deducting 40% of seats being handed over; effectively 60% of seats under 'sanctioned intake' in each college remain with the Managements/ AMPCK and same shall be filled as under:

- a. 30% of total intake seats in each of the AMPCK member Engineering Colleges/Institutions shall be filled by General Merit candidates, through AMPCK conducted entrance test followed by centralized counselling on an All India level basis. In case any of the AMPCK Member Engineering Institutions for Engineering Colleges desire to have their 30% or less intake of seats to be filled through KEA, they can surrender the seats to Government/KEA, 15 days before the commencement of first round of counselling. The fees for such management –surrendered seats to the KEA shall be the Government fees.
- a) The remaining 30% (20%+10%) of total intake seats in each of the AMPCK member Engineering Colleges/Institutions could be filled up from among NRIs/NRI sponsored [20%] and / or on institutional or other local preferences [10%] based on merit and by notifying the method of filling up of the seats and the fees as per rules in the website of the respective institution well before the commencement of the first round of option entry by KEA in a transparent manner and if no candidate is available for this category allocated; these can be filled by any other academically eligible candidate as per norms from amongst applicant/s to the respective individual institutions, treating them on par with this category admissions as to the tuition fee liability; or the respective institutions can surrender the seats to Government / KEA/AMPCK, 15 days before the commencement of first round of counselling. ***The fees for such management surrendered seats to the KEA shall be the Govt. fee and to that for AMPCK shall be AMPCK fees opted by that institution for the course/s***
- b. As indicated above, to an extent of an additional quota of 5% of total intake (supernumerary) available in each of the engineering colleges, as per UGC/AICTE policy directions shall be filled by the Governmental agencies, as free

category students, keeping in view UGC/AICTE guidelines issued in this behalf.

C. FEE STRUCTURE:

- a) Keeping in view the deliberations that took place between the Government and the Associations of private professional managements, have expressed desire to work out a 'Consensual Agreement' for the academic year 2026-27, in terms of power conferred under Clause 4A of the Act No. 8 of 2006; in place of implementation of the other provisions of the Act No. 8 of 2006 including there under constituted. During the deliberations of fee between the Government and AMPCK, it is agreed to an enhancement **of 7.5% in tuition fee** in the Academic Year 2026-27 for Government quota seats and AMPCK entrance test conducted merit seats. Accordingly, parties hereby agree to provide for a suitable and appropriate fee structure as hereunder, by issuance of a Gazette Notification under the provisions of the Karnataka Educational Institutions (Prohibition of Capitation Fees) Act, 1984 and the proposed requisite legislation/enactment with special provisions to enter into consensual agreement.
- b) It is decided after elaborate discussions and consideration of materials placed before the authorities of the Government and it is agreed that, keeping in view the interest of the student community, to retain the tuition fee and seat sharing as indicated in this agreement.
- c) AMPCK considering the request by the State Government, has now resolved to extend the same gestures by way of 'scholarship to socially and economically weaker sections and others; and participate in social welfare measures/schemes of the Government. Therefore, it is proposed and provided that for all seats made over to the Government, by the AMPCK colleges will extend the 'freeships and scholarships by way of fee concessions' from the fees actually being charged by each of the AMPCK Institutions for the current year, by way of scholarships, under this consensual arrangement, out of additional fees receivable from the category of students falling under NRIs and others.

- d) That, KEA and AMPCK allotted candidates would pay all the fees at the time of allotment of seats; and/ or while seeking admission under the allotment, as may be prescribed and notified. Fee structure shall be binding on all the students admitted by the respective colleges through AMPCK and KEA for the 2026-27 batch; every year till the completion of their study. Appropriate mechanism will be put in place to transfer fees to colleges for Government subsidized category of students, so that Management does not take fees from such students. The Government Quota seat fee that is collected by the Karnataka Examinations Authority and the AMPCK fees as notified by the Government will be the fee to be paid by the students for the entire first year. Second year onwards till the end of the student's course, the same fee will have to be collected in all the colleges. There shall be no change in the fees for the entire duration of the students study period. For purposes of transparency and complete disclosure the fee structure of Government quota seats in the respective colleges shall be notified on the website of the KEA and the respective colleges' websites a week before the commencement of first round of option entry by the KEA, AMPCK shall ensure that the necessary information is provided to KEA by all their member colleges well in time.
- e) Following average and uniform fee structure, worked out by the parties, based on assessment of need for imparting quality education, to meet the appropriate standards of education, with appropriate benefit of concessions would govern the admissions for the batch of students, being admitted for the Undergraduate Courses for the academic year 2026-27.
- f) This consensual agreement regarding fee structure for 2026-27 shall prevail over and supersede any fee structure notified by the State Government pursuant to any report of any committee appointed in this behalf.
- g) These 'Fees' prescribed are to be notified by the Government in the official gazette and are payable by respective category of students, per year, throughout the course and are as under:
