Report on
GRADUATION DAY 2026

MVJ College of Engineering proudly celebrated its 39th Graduation Day on 17th October 2026, honouring the accomplishments of the 2022-2026 batch. The ceremony was a momentous occasion that recognized academic excellence, perseverance, and the pursuit of knowledge. It marked a significant milestone in the lives of the graduates and their family members, while also reflecting the institution's unwavering commitment to nurturing future-ready professionals and upholding the values of learning, integrity, and excellence.

To enable the UG and PG graduates and their families to take part in the ceremony comfortably and make the celebration smooth, meaningful, and memorable for all, the Graduation Day celebrations were organized into three sessions.

The occasion was marked with reverence and gratitude, honouring the visionary founder, Dr. M. V. Jayaraman, whose ideals and values continue to inspire and guide the institution. The ceremony was graced by Prof. B. K. Ravi, Vice Chancellor, Bengaluru North University and Former Vice Chancellor, Koppal University, Karnataka, as the Chief Guest, and Prof. Venkatesh Raikar, Advisor MVJCE, Former Vice-Chancellor, Sanjay Ghodawat University, Kolhapur, as the Guest of Honour, and was presided over by Dr. Ajayan K. R., Principal, MVJCE.

Following this, a dignified ceremonial procession comprising the Chief Guest, Prof. B. K. Ravi, the Guest of Honour, Prof. Venkatesh Raikar, the Principal, Deans, Controller of Examination and Heads of Departments proceeded to the Dr. M. V. Jayaraman Auditorium for the convocation inauguration, symbolizing the institution's academic pride and commitment to excellence.

Fig.2: The Procession of Pride and Honor

The ceremony began on an auspicious note with a soulful invocation by Team Dwani, seeking divine blessings for the occasion. This was followed by the traditional Lamp Lighting Ceremony, led by the Chief Guest, Prof. B. K. Ravi, along with the Guest of Honour, Prof. Venkatesh Raikar, the Principal, Deans, and Controller of Examination.

The Graduation Day was declared open by the Chief Guest, marking the commencement of the formal proceedings.

Dr. M. Brindha, Dean (Administration), introduced the Chief Guest to the gathering, highlighting his distinguished academic career, notable achievements, and contributions to higher education. She warmly welcomed him to the occasion and invited him to address the graduates.

Fig.5: Dr. M. Brindha, Dean (Administration), introducing the Chief Guest Prof. B. K. Ravi

The Chief Guest, Prof. B. K. Ravi, addressed the gathering and congratulated the graduates on reaching an important milestone in their academic journey. He emphasized that a degree brings with it greater responsibility and encouraged the graduates to apply their knowledge in developing meaningful solutions for society. Highlighting the rapidly evolving technological landscape, particularly Artificial Intelligence, he urged them to embrace continuous learning, innovation, curiosity, and critical thinking while upholding integrity and ethical values. He reminded the graduates to use technology with humanity at its core and to contribute responsibly towards building a better and sustainable future.

Dr. M. Brindha, Dean (Administration), introduced the Guest of Honour, Prof. Venkatesh Raikar, and warmly welcomed him to the occasion. She highlighted his distinguished academic journey and achievements, setting the stage for his address to the graduating students. The Guest of Honour, Prof. Venkatesh Raikar, addressed the gathering and congratulated the graduates, faculty members, and parents on the significant occasion. He reminded the graduates that as they embark on a new journey, they are stepping into a world marked by uncertainty, complexity, and constant change, and encouraged them to face it with confidence and optimism. Emphasizing the importance of lifelong learning, he urged the graduates to never stop learning and to cultivate creativity, critical thinking, collaboration, and curiosity. He further encouraged them to strengthen the qualities of competence, character, and commitment, inspiring them to approach their future with enthusiasm, adaptability, and a positive outlook.

The third session commenced at 3:00 p.m. and included graduates from the undergraduate programmes of Electronics and Communication Engineering, Electrical and Electronics Engineering, and Mechanical Engineering, along with graduates from various postgraduate programmes. The rank holders were honoured for their outstanding academic achievements, followed by the distribution of degree certificates to the graduates. Among the undergraduate programmes, degrees were awarded to 166 students from Electronics and Communication Engineering, 38 from Electrical and Electronics Engineering, and 13 from Mechanical Engineering. From the postgraduate programmes, degrees were awarded to 1 student from M.Tech. Aeronautical Engineering, 16 from M.Tech. Artificial Intelligence and Data Science, 5 from M.Tech. Computer Science and Engineering, 17 from M.Tech. Structural Engineering, 1 from Electronics and Communication (Advanced Communication Technology), 8 from M.Tech. VLSI Design, and 108 from Master of Business Administration. A total of 373 graduates received their degrees during the third session, making it a significant and memorable part of the Graduation Day celebrations.
